- Stitch markers (optional)
- Measuring tape

Abbreviations:

*Pattern is written in US terms. *Click on abbreviation names for tutorials*

Stitch/es (st/sts)

[Chain stitch/es \(ch/chs\)](#)

[Single crochet \(sc\)](#)

[Double crochet \(dc\)](#)

[Treble crochet \(TR\)](#)

Special Stitches/Techniques:

[Diagonal Basket Weave](#) - a two row repeat of groups of three treble crochets worked either in the front or the back of the previous group of three treble crochets. See rows 2 & 3 in this pattern for details.

Additional Notes:

Read all pattern notes, instructions, and other provided details carefully before starting the project to make sure you understand everything. It could save you hours & a lot of headaches!

- Make a swatch that measures at least 10 x 10 cm / 4 x 4 inches using the stitch provided under the Gauge Section. If your swatch matches the gauge, then you are all set to start the project. If the gauge is wrong, you might need to change your crochet hook - increase your hook size if your stitches are smaller & decrease your hook size if your stitches are larger.
- All measurements given are unblocked.
- Provided measurements are as exact as possible, but are given as approximates. This is because yarn variances, crochet tension, & individual technique might give variations in the result, which changes from person to person.
- If you are left-handed, switch rows 2 & 3 when working this pattern.

- 
- **The trim is worked in continuous rounds. There will be NO joining at the end of each round, or turning and chaining.**
 - Care Instructions: hand wash, lay flat to dry or follow the care instructions on the yarn packaging.

Instructions:

With color A, chain a multiple of 6 + 4 to the appropriate hat length for your size according to the Finished Dimensions section above.

Row 1: Dc in the 3rd ch from the hook (does not count as a stitch), *skip 3 chs, work 1 Tr in each of the next 3 chs, from the FRONT - work 1 Tr in each of the 3 skipped chs* - Repeat from * to * across - work 1 dc in the last ch, ch 2, turn work.

Row 2: Change to color B - work 1 dc in the top of the first st (same st as the ch 2), dc in each of the next 3 sts, *skip the next 3 sts, work 1 tr in each of the next 3 sts, from the BACK - work 1 Tr in each of the 3 skipped sts* - Repeat from * to * across to the last 4 sts - dc in each of the last 4 sts, ch 2, turn work.

Row 3: Change to color A - work 1 dc in the top of the first st (same st as the ch 2), *skip 3 sts, work 1 Tr in each of the next 3 sts, from the FRONT - work 1 Tr in each of the 3 skipped sts* - Repeat from * to * across - work 1 dc in the last st, ch 2, turn work.

Repeat rows 2 and 3 to the head circumference indicated for your size in the Finished Dimensions section above.

Finishing:

- Position the crochet piece as indicated in the photo below. The WRONG sides should be on the OUTSIDE and the RIGHT sides should be touching each other on the INSIDE. Using color A or B, a tapestry needle, use the [whip stitch](#) or your preferred seaming method to seam the two side edges together. Leave at least a 12 - inch tail.

- Insert the yarn needle - attached to the 12 - inch yarn tail - into the top edge of the hat. Push the edge of the hat along the tapestry needle so that the top cinches up. You may have to push the needle out and re-insert it several times.

- Once the top rim of the beanie has been cinched up, use the yarn attached to the tapestry needle to seal up any remaining hole.

- Use the needle to pull the yarn through the top of the hat so that it goes through the inside.

- Turn the hat RIGHT side out. The yarn tail should be at the top on the outside of the hat.
- Use the yarn tail to attach the beanie.

Trim:

- Attach yarn to the seam on the bottom edge of the beanie. Using color A and the G/6 - 4.00mm hook, sc continuously around each edge three times or to your desired trim length, slp-st to close.
