EVERLEY BEANIE CONSTRUCTION

Construction Overview

The Everley Beanie is **worked flat in turned rows** as a rectangular body panel. The foundation chain forms the finished circumference, while the rows build the height from the crown toward the brim. An attached ribbed brim is worked along the lower edge.

Once the brim is complete, the short side edges are seamed to form the hat tube. The foundation-chain edge is then gathered to close the crown, and the pom is attached. **Refer to the written instructions for complete stitch counts, color changes, brim construction, seaming and finishing.**

CONSTRUCTION STEPS

1. Crochet the flat body panel. **(Image 1)**
2. Add the attached ribbed brim. **(Not shown)**
3. Seam the short sides to form the hat tube. **(Image 2)**
4. Gather and close the crown. **(Images 3–4)**
5. Attach the pom, weave in any remaining ends, and finish shaping the hat. **(Image 5)**

EVERLEY BEANIE PATTERN NOTES

Before You Begin

Read all instructions and choose your size before beginning—a few minutes of preparation now can save hours of frustration later.

- Pattern is written in standard US crochet terminology.
- The hat body is worked flat in turned rows, then seamed. The foundation chain determines finished circumference; body rows determine hat height.
- **Numbers are written in this order:** Child (Teen/Women S, Women M/Men S, Women L/Men M, Men L).
- Stitch counts are shown in brackets [] at the end of each row as needed.
- Ch 1 at the beginning of a row does not count as a stitch unless stated otherwise.
- Keep turning chains loose so the side edges remain flexible and easy to seam.
- **Each Mini Berry (MB) counts as one stitch** and is followed by one single crochet.
- **Change colors on the final yarn-over** of the stitch before the new-color row.
- Carry the unused color loosely up the side edge; this edge will be enclosed in the seam. After the final Color B row, cut Color B as directed.
- Color A is used for the foundation, setup rows, Mini Berry rows, final body row, and brim. Color B is used for the single-crochet stripe rows.
- The ribbed brim is worked with a smaller hook directly onto the final body row. During finishing, it folds to approximately 2 in (5 cm) deep.
- Choose a finished circumference with approximately 1–2 in (2.5–5 cm) of negative ease. If the head measurement falls between sizes, choose the larger size.
- **To adjust the hat height**, add or remove complete pairs of Rows 5–6. Always finish with the final Color A single-crochet row before beginning the brim.
- The sample pom is permanently attached. For a removable pom, use a secure button or compatible snap attachment.
- Follow the yarn-label care instructions. Because the sample pom is not removable, spot clean the finished hat and avoid machine drying the faux fur. Reshape the brim and fluff the pom after drying.

EVERLEY BEANIE INSTRUCTIONS

Body Setup — All Sizes

With Color A and 5.5 mm Hook

FOUNDATION

Ch 61 (67, 69, 73, 75).

Row 1: Sc in 2nd ch from hook and in each ch across. Turn. [60 (66, 68, 72, 74) sts]

Rows 2–3: Ch 1, sc in each st across. Turn. [60 (66, 68, 72, 74) sts]

Row 4 — Mini Berry: Ch 1, *MB in next st, sc in next st*; repeat from * to * across. Turn. [60 (66, 68, 72, 74) sts; 30 (33, 34, 36, 37) MB]

At the end of Row 4, change to Color B on the final yarn-over. Carry Color A loosely up the side edge.

Row 5 — Color B: Ch 1, sc in each st across. Turn. Change to Color A on the final yarn-over. [60 (66, 68, 72, 74) sts]

Row 6 — Color A: Ch 1, *MB in next st, sc in next st*; repeat from * to * across. Turn. Change to Color B on the final yarn-over, except after the final repeat. [60 (66, 68, 72, 74) sts]

Work Rows 5–6 the following number of times total:

Child: 7 times

Teen / Women S: 8 times

Women M / Men S: 9 times

Women L / Men M: 10 times

Men L: 11 times

On the final repeat of Rows 5–6 only: Work Row 5 in Color B, changing to Color A on the final yarn-over.

Cut Color B, leaving a tail to weave in. Work Row 6 in Color A without changing colors at the end.

Keep Color A attached for the final body row.

FINAL ROW — COLOR A

Ch 1, sc in each st across. Do not fasten off. [60 (66, 68, 72, 74) sts]

Body row totals: 19 (21, 23, 25, 27) rows.

Continue directly to the Ribbed Brim.

Ribbed Brim

Keep Color A attached after the final body row. Change to the 4.25 mm (G/6) hook.

The brim is worked in short rows perpendicular to the body.

Foundation: From the active loop, ch 18.

Brim Row 1: Sc in 2nd ch from hook and in each ch across. Sl st into each of the next 2 unworked sts along the final body row. Turn. [17 sc]

Brim Row 2: Skip the 2 joining sl sts. Working back across the brim, sc in the BLO of each sc. Ch 1, turn. [17 sc]

EVERLEY BEANIE INSTRUCTIONS & ASSEMBLY

Brim Row 3: Sc in the BLO of each sc across toward the body. Sl st into each of the next 2 unworked sts along the final body row. Turn. [17 sc]

Repeat Brim Rows 2–3 across the lower edge until every body st has been used. Keep the joining sl sts relaxed so the brim remains stretchy.

After the final join, fasten off Color A, leaving a long tail for seaming.

The unfolded brim measures approximately 4 in (10 cm) deep and folds to approximately 2 in (5 cm).

Assembly & Finishing

SEAM THE HAT

- Fold the piece with the wrong side facing out.
- Align the short side edges, matching the color stripes and ends of the ribbed brim.
- With the long Color A tail and a tapestry needle, seam from the brim edge to the crown edge using mattress stitch or whip stitch.
- Seam the brim ends so the ridge pattern remains continuous. Keep the seam firm but flexible.
- Secure the yarn, weave in the tail, and turn the hat right side out.

GATHER THE CROWN

- Thread a tapestry needle with a separate, generous length of Color A.
- Weave the yarn evenly through the end loops or sts around the foundation-chain edge.
- Pull firmly to close the crown.
- Stitch across the opening several times, then knot securely inside. If a small opening remains, stitch it closed.
- Weave in the end.

ATTACH THE POM

- Center the faux-fur pom over the gathered crown.
- For permanent attachment, use strong sewing thread or the pom's attached cords to sew through the crown several times; knot securely inside.
- For a removable pom, sew a sturdy flat button inside the crown and fasten the pom's elastic loop around it, or install a compatible pom snap.

FINISHING

- Weave in all remaining ends.
- Fold the brim upward approximately 2 in (5 cm).
- Gently shape the hat and fluff the pom.

EVERLEY BEANIE

Hello!

I'm RaeLynn, the crochet designer and blogger behind Itchin' for some Stitchin', where I share my passion for crochet through beginner-friendly tips, tutorials, and patterns.

I'm married to an amazing man, stepmom to four beautiful daughters, and mom to one rambunctiously fun little boy! When I don't have a hook in hand, you can find me playing with my kiddos and fur babies or lounging by the pool in the desert heat, with a cuppa joe always nearby!
